Annual Index

Subject Index to Volume 52

AAOHN CODE OF ETHINCS

AAOHN code of ethics and interpretative statements. American Association of Occupational Health Nurses. 52(4), 140-142.

AAOHN STANDARDS

Standards of occupational and environmental health nursing. The American Association of Occupational Health Nurses. 52(7), 270-274.

ADOLESCENTS IN THE WORK FORCE

Linking Practice & Research: Adolescents in the work force—A Population at risk. Miller, M.E. 52(11), 461-464.

ADULT IMMUNIZATION

International health program: Preventing health problems associated with living abroad. Butcher, C.A. 52(2), 78-85.

ADULT VACCINATION

Clinical Rounds: Hospital Link: Pertussis. Andersen, E. 52(12), 498-499.

AGRICULTURAL HEALTH

Agricultural Health: A new field of occupational health nursing. Fleming, M.J. 52(9), 391-396.

Guest Editorial: Caring for the families that feed the world. Reed, D.B. 52(9), 361-362.

Seasonal and migrant agricultural workers: A neglected workforce. Culp, K., & Umbarger, M. 52(9), 383-390.

Sleep deprivation and injuries in part-time Kentucky farmers: Impact of self reported sleep habits and sleep problems on injury risk. Spengler, S.E., Browning, S.R., & Reed, D.B. 52(9), 373-382.

Strengthening the nursing curriculum: An interdisciplinary course addressing agricultural health and safety. Jones, S., Dunn, D., & Coffey, D. 52(9), 397-400.

The risky business of production agriculture: Health and safety for farm workers. Reed, D.B. 52(9), 401-409.

ASBESTOS

Clinical Rounds: NP Link: Asbestos-related pulmonary diseases. Corbridge, S.J., & Kamp, D.W. 52(2), 49-51.

ASTHMA

Managing asthma in the work-

place: An overview for occupational health nurses. Carroll, P. 52(11), 481-489.

Processes of care for individuals diagnosed with work related asthma: Treatment characteristics and impact of asthma on work. Roberts, J.L., Janson, S., Gillen, M., Flattery, J., & Harrison, R. 52(8), 327-337.

AUDIOLOGICAL EVALUATION

Meniere's disease: Identifying classic symptoms and current treatments. Ervin, S.E. 52(4), 156-158

BEHAVIORAL HEALTH

Express Speak: Workplace bullying. Sitzman, K. 52(5), 220.

BI-VOCATIONAL WORKERS

Sleep deprivation and injuries in part-time Kentucky farmers: Impact of self reported sleep habits and sleep problems on injury risk. Spengler, S.E., Browning, S.R., & Reed, D.B. 52(9), 373-382.

BLOODBORNE PATHOGENS

Sharps injuries in the home health care setting: Risks for home health care workers. Haiduven, D., & Ferrol, S. 52(3), 102-108.

CARDIOVASCULAR HEALTH

Clinical Rounds: NP Link: Bradycardia induced by Hyperkalemia. Vuckovic, K. 52(5), 188-189.

Clinical Rounds: NP Link: The metabolic syndrome—Early action to decrease risks for cardiovascular disease. Fritschi, C. 52(8), 320-322.

Relationship among risk factors for nephrolithiasis, cardiovascular disease, and ethnicity: Focus on a law enforcement cohort. Ramey, S.L., Franke, W.D., & Shelley, M.C., II. 52(3), 116-121.

CARDIOVASCULAR RISK FACTORS

Cardiovascular risks in firefighters: Implications for occupational health nurse practice. Byczek, L. Walton, S.M., Conrad, K.M., Reichelt, P.A., & Samo, D.G. 52(2), 66-76.

Occupational noise and effects on blood pressure: Exploring the relationship of hypertension and noise exposure in workers. Penney, P.J., & Earl, C.E. 52(11), 476-480.

CARPAL TUNNEL SYNDROME

Clinical Rounds: NP Link: Carpal tunnel syndrome—The role of psychosocial factors in recovery. Hopp, P.T., Lee, K.E., & Gest, S.A. 52(11), 458-460.

CASE MANAGEMENT

Clinical Rounds: Case Management Update: What are some effective chronic disease management strategies that can be used in case management? Kalina, C.M., Haag, A.B., & Tourigian, R. 52(10), 420-423.

Clinical Rounds: Case Management Update: What are some of the challenges in case management and how have you handled them? Kalina, C.M., Haag, A.B., & Tourigian, R. 52(4), 143-145.

Clinical Rounds: Case Management Update: What is the role of the non-nurse case manager? Haag, A.B., Kalina, C.M., Tourigian, R. & Wassel, M.L. 52(1), 10-13.

Roadmap to HIPAA: Keeping occupational health nurses on track. Lucas, B., & Adams, S. 52(4), 169-177.

CASE MANAGEMENT COMMUNICATION

Clinical Rounds: Case Management Update: What are some of the challenges in case management and how have you handled them? Tourigian, R. 52(7), 280-284.

CHRONIC DISEASE

Clinical Rounds: Case Management Update: What are some effective chronic disease management strategies that can be used in case management? Kalina, C.M., Haag, A.B., & Tourigian, R. 52(10), 420-423.

Diagnosis: Chronic kidney disease, now what! Ross, P.E., Groenhoff, C., & Zin, P. 52(7), 287-297.

The return to work experiences of colorectal cancer survivors. Sanchez, K.M., Richardson, J.L., & Mason, H.R.C. 52(12), 500-510.

CHRONIC HEALTH ISSUES

Diabetes update: Promoting effective disease management. DeCoste, K., & Scott, L.K. 52(8), 344-353.

Express Speak: Coping with chronic illness at work. Sitzman, K. 52(6), 264.

Express Speak: The obesity epidemic. Sitzman, K. 52(1), 44.

Processes of care for individuals diagnosed with work related asthma: Treatment characteristics and impact of asthma on work. Roberts, J.L., Janson, S., Gillen, M., Flattery, J., & Harrison, R. 52(8), 327-337.

CHRONIC KIDNEY DISEASE

Diagnosis: Chronic kidney disease, now what! Ross, P.E., Groenhoff, C., & Zin, P. 52(7), 287-297.

CLINICAL PRACTICE

Clinical Rounds: NP Link: Bradycardia induced by Hyperkalemia. Vuckovic, K. 52(5), 188-189.

Clinical Rounds: NP Link: Carpal tunnel syndrome—The role of psychosocial factors in recovery. Hopp, P.T., Lee, K.E., & Gest, S.A. 52(11), 458-460.

Diabetes update: Promoting effective disease management. DeCoste, K., & Scott, L.K. 52(8), 344-353.

Express Speak: Coping with chronic illness at work. Sitzman, K. 52(6), 264.

Express Speak: Focus on osteoporosis. Sitzman, K. 52(7), 312.

International health program: Preventing health problems associated with living abroad. Butcher, C.A. 52(2), 78-85.

Meniere's disease: Identifying classic symptoms and current treatments. Ervin, S.E. 52(4), 156-158.

COLLABORATIVE NURSING MODEL

Reducing overall health care costs for a city municipality: A real life community based learning model. Hodges, L.C., Harper, T.S., Hall-Barrow, J., & Tatom, I.D. 52(6), 247-253.

COLORECTAL CANCER

The return to work experiences of colorectal cancer survivors. Sanchez, K.M., Richardson, J.L., & Mason, H.R.C. 52(12), 500-510.

COMMUNICABLE DISEASES

Clinical Rounds: Hospital Link: Pertussis. Andersen, E. 52(12), 498-499.

SARS update: Winter, 2003-2004. Shapiro, S.E., & McCauley, L.A. 52(5), 199-203.

COMMUNICATION

Emotional labor: Relevant theory for occupational health practice in post-industrial America. de Castro, A.B., Agnew, J., & Fitzgerald, S.T. 52(3), 109-115.

Linking Practice & Research: "La Verdad" and risk communication—Strategies for communicating results of environmental exposure tests to individuals. Butterfield, P.G. 52(9), 363-365.

COMMUNITY HEALTH ISSUES

Urban sprawl and you: How sprawl adversely affects worker health. Pohanka, M., & Fitzgerald, S. 52(6), 242-246.

CONFIDENTIALITY

Management File: Ensuring confidentiality of employee health information—Developing policies and procedures. Strasser, P.B. 52(4), 149-153.

CONTINGENT WORKERS

Express Speak: The impact of contingent workers on the workplace. Stagg, S. 52(9), 412.

CORONARY HEART DISEASE

Cardiovascular risks in firefighters: Implications for occupational health nurse practice. Byczek, L. Walton, S.M., Conrad, K.M., Reichelt, P.A., & Samo, D.G. 52(2), 66-76.

CULTURAL DIVERSITY

Linking Practice & Research: Promoting immigrants' health—Relevance to occupational health nursing practice. Tsai, J. H-C. 52(3), 94-96.

DEPRESSION

Managing workplace depression: An untapped opportunity for occupational health professionals. Putnam, K. & McKibbin, L. 52(3), 122-129.

DIABETES

Diabetes update: Promoting effective disease management. DeCoste, K., & Scott, L.K. 52(8), 344-353.

DISABILITY MANAGEMENT

Integrating disability management into strategic plans: Creating healthy organizations. Curtis, J., & Scott, L.R. 52(7), 298-301.

Management File: Managing transitional work—Program foundation. Strasser, P. 52(8), 323-326.

Roadmap to HIPAA: Keeping occupational health nurses on track. Lucas, B., & Adams, S. 52(4), 169-177.

EMOTIONAL LABOR

Emotional labor: Relevant theory for occupational health practice in post-industrial America. de Castro, A.B., Agnew, J., & Fitzgerald, S.T. 52(3), 109-115.

EMPLOYEE COMPLIANCE

Clinical Rounds: Case Management Update: What are some of the challenges in case management and how have you handled them? Kalina, C.M., Haag, A.B., & Tourigian, R. 52(4), 143-145.

ENVIRONMENTAL HEALTH

Evaluation of an environmental health education program: Assessing changes in knowledge of health professionals. Mujuru, P., & Niezen, C. 52(10), 436-441.

Express Speak: Mold at home can cause illness at work. Sitzman, K. 52(11), 492.

Linking Practice & Research: "La Verdad" and risk communication—Strategies for communicating results of environmental exposure tests to individuals. Butterfield, P.G. 52(9), 363-365.

Research & Ethics Corner: Environmental health hazards and health care professional education. Rogers, B. 52(4), 154-155.

Research & Ethics Corner: What the research shows—Worker exposures at a popcorn plant. 52(7), 285-286.

Seasonal and migrant agricultural workers: A neglected workforce. Culp, K., & Umbarger, M. 52(9), 383-390.

The risky business of production agriculture: Health and safety for farm workers. Reed, D.B. 52(9), 401-409.

Toxicology primer: Understanding workplace hazards and protecting worker health. Arble, J. 52(6), 254-261.

Urban sprawl and you: How sprawl adversely affects worker health. Pohanka, M., & Fitzgerald, S. 52(6), 242-246.

ERGONOMICS

Clinical Rounds: Hospital Link: Laboratory workers and musculoskeletal disorders—Examining ergonomic risk factors and solutions. Andersen, E. 52(9), 366-367.

Education of garment workers: Prevention of work related musculoskeletal disorders. Pun, J.C., Burgel, B.J., Chan, J., & Lashuay, N. 52(8), 338-343.

ETHICS

AAOHN code of ethics and interpretative statements. American Association of Occupational Health Nurses. 52(4), 140-142.

EVIDENCE-BASED PRACTICE

Research & Ethics Corner: Research utilization—Putting the research evidence into practice. Rogers, B. 52(1), 14-15.

FARM WORKERS

Agricultural health: A new field of occupational health nursing. Fleming, M.J. 52(9), 391-396.

FIREFIGHTERS

Cardiovascular risks in firefighters: Implications for occupational health nurse practice. Byczek, L. Walton, S.M., Conrad, K.M., Reichelt, P.A., & Samo, D.G. 52(2), 66-76.

GLOBAL HEALTH ISSUES

Occupational health nursing in Lebanon: Exploring the world through international occupational health programs. Noureddine, S., & Arevian, M. 52(5), 193-198.

HEALTH CARE COST CONTAINMENT

Reducing overall health care costs for a city municipality: A real life community based learning model. Hodges, L.C., Harper, T.S., Hall-Barrow, J., & Tatom, I.D. 52(6), 247-253.

HEALTH CARE WORKERS

Hepatitis C: An update for occupational health nurses. Al-Saden, P.C. 52(5), 210-217.

HEALTH PROMOTION

Cardiovascular risks in firefighters: Implications for occupational health nurse practice. Byczek, L. Walton, S.M., Conrad, K.M., Reichelt, P.A., & Samo, D.G. 52(2), 66-76.

Clinical Rounds: Case Management Update: What are some effective chronic disease management strategies that can be used in case management? Kalina, C.M., Haag, A.B., & Tourigian, R. 52(10), 420-423.

Clinical Rounds: NP Link: The metabolic syndrome—Early action to decrease risks for cardiovascular disease. Fritschi, C. 52(8), 320-322.

Express Speak: Daily fluid consumption—How much is enough? Sitzman, K. 52(12), 540.

Express Speak: Expanding food portions contribute to overweight and obesity. Sitzman, K. 52(8), 356.

Express Speak: What works for weight loss and maintenance? Sitzman, K. 52(4), 180.

International health program: Preventing health problems associated with living abroad. Butcher, C.A. 52(2), 78-85.

Linking Practice and Research: Using the PRECEDE-PROCEED model to guide the development of more effective workplace interventions. Connon, L., & Salazar, M.K. 52(5), 190-192.

Managing asthma in the workplace: An overview for occupational health nurses. Carroll, P. 52(11), 481-489.

Managing workplace depression: An untapped opportunity for occupational health professionals. Putnam, K. & McKibbin, L. 52(3), 122-129.

Occupational Health: Spanish: Physical examination—Examen físico. Vélez-McEvoy, M. 52(10), 424-426.

Occupational noise and effects on blood pressure: Exploring the relationship of hypertension and noise exposure in workers. Penney, P.J., & Earl, C.E. 52(11), 476-480.

HEALTH TEAM MEMBERS

Clinical Rounds: Case Management Update: What is the role of the non-nurse case manager? Haag, A.B., Kalina, C.M., Tourigian, R. & Wassel, M.L. 52(1), 10-13.

HEPATITIS C

Hepatitis C: An update for occupational health nurses. Al-Saden, P.C. 52(5), 210-217.

HIPAA

Roadmap to HIPAA: Keeping occupational health nurses on track. Lucas, B., & Adams, S. 52(4), 169-177.

HISTORY TAKING

Occupational Health: Spanish: Nursing assessment: Taking the history. Vélez-McEvoy, M. 52(1), 8-9.

Occupational Health: Spanish: Occupational and environmental exposure history—Ocupacional y ambiental historia clínica de riesgo. Vélez-McEvoy, M. 52(4), 146-148.

HOME HEALTH

Sharps injuries in the home health care setting: Risks for home health care workers. Haiduven, D., & Ferrol, S. 52(3), 102-108.

HOSPITAL OCCUPATIONAL HEALTH

Back pain prevalence in nursing personnel: Measurement issues. Menzel, N.H. 52(2), 55-65.

Clinical Rounds: Hospital Link: That little itch—Responding to scabies in the workplace. Andersen, E. 52(6), 227-229.

Clinical Rounds: Hospital Link: Vaccination and the immunocompromised health care worker—A team approach. Andersen, E. 52(3), 97-99.

Hepatitis C: An update for occupational health nurses. Al-Saden, P.C. 52(5), 210-217.

SARS update: Winter, 2003-2004. Shapiro, S.E., & McCauley, L.A. 52(5), 199-203.

HYPERTENSION

Occupational noise and effects on blood pressure: Exploring the relationship of hypertension and noise exposure in workers. Penney, P.J., & Earl, C.E. 52(11), 476-480.

ILLNESS PREVENTION

Express Speak: Six tips for avoiding the spread of flu. Sitzman, K. 52(10), 452.

IMMIGRANTS' HEALTH

Linking Practice & Research: Promoting immigrants' health—Relevance to occupational health nursing practice. Tsai, J. H-C. 52(3), 94-96.

IMMUNIZATION

Clinical Rounds: Hospital Link: Vaccination and the immunocompromised health care worker—A team approach. Andersen, E. 52(3), 97-99.

IMMUNOSUPRESSION

Clinical Rounds: Hospital Link: Vaccination and the immunocompromised health care worker—A team approach. Andersen, E. 52(3), 97-99.

INDUSTRIAL HYGIENE

Toxicology primer: Understanding workplace hazards and protecting worker health. Arble, J. 52(6), 254-261.

INFECTION CONTROL

Clinical Rounds: Hospital Link: That little itch—Responding to scabies in the workplace. Andersen, E. 52(6), 227-229.

Monkeypox in the United States: An occupational health look at the first cases. Cunha, B.E. 52(4), 164-168.

INFECTIOUS DISEASE

Malaria: A parasitic disease. Butcher, C.A. 52(7), 302-309.

Monkeypox in the United States: An occupational health look at the first cases. Cunha, B.E. 52(4), 164-168.

INFLUENZA

Express Speak: Six tips for avoiding the spread of flu. Sitzman, K. 52(10), 452.

INFORMATICS

Informatics: Searching for topical information on the Internet—Networking with occupational health professionals. DiBenedetto, D.V. 52(3), 100-101.

INFORMATION SYSTEM

Informatics: identifying requirements for an occupational health & safety information system. DiBenedetto, D.V. 52(9), 368-372.

INJURY PREVENTION

Agricultural health: A new field of occupational health nursing. Fleming, M.J. 52(9), 391-396.

Back pain prevalence in nursing personnel: Measurement issues. Menzel, N.H. 52(2), 55-65.

Education of garment workers: Prevention of work related musculoskeletal disorders. Pun, J.C., Burgel, B.J., Chan, J., & Lashuay, N. 52(8), 338-343.

Great safety performance: An improvement process using leading indicators. Dyck, D., & Roithmayr, T. 52(12), 511-520.

Implementation of a scheduled toileting program in a long term care facility: Evaluating the impact on injury risk to caregiving staff. Engst, C., Chhokar, R., Robinson, D., Earthy, A., Yassi, A. & Tate, R.B. 52(10), 427-435.

Linking Practice & Research: Adolescents in the work force—A population at risk. Miller, M.E. 52(11), 461-464.

Nurses' perception of their work environment, health, and well being: A qualitative perspective. Geiger-Brown, J., Trinkoff, A.M., Nielsen, K., Lirtmunlikaporn, S., Brady, B., and Vasquez, E.I. 52(1), 16-22.

Guest Editorial: Caring for the families that feed the world. Reed, D.B. 52(9), 361-362.

Research & Ethics Corner: Improving safety in health care environments—Institute of Medicine report. Rogers, B. 52(10), 417-419.

Rewarding safe behavior: Strategies for change (CE Article). Fell-Carlson, D. 52(12), 521-527.

Sharps injuries in the home health care setting: Risks for home health care workers. Haiduven, D., & Ferrol, S. 52(3), 102-108.

The risky business of production agriculture: Health and safety for farm workers. Reed, D.B. 52(9), 401-409.

INTERDISCIPLINARY EDUCATION

Strengthening the nursing curriculum: An interdisciplinary course addressing agricultural health and safety. Jones, S., Dunn, D., & Coffey, D. 52(9), 397-400.

INTERNATIONAL HEALTH

Defining the roles and functions of occupational health nurses in Japan: Results of job analysis. Ishihara, I., Yoshimine, T., Horikawa, J., Majima, Y., Kawamoto, R., & Salazar, M.K. 52(6), 230-241.

International health program: Preventing health problems associated with living abroad. Butcher, C.A. 52(2), 78-85.

Malaria: A parasitic disease. Butcher, C.A. 52(7), 302-309.

Occupational health nursing in Lebanon: Exploring the world through international occupational health programs. Noureddine, S., & Arevian, M. 52(5), 193-198.

Travel health nursing: Expanding horizons for occupational health nurses. Rosselot, G. 52(1), 28-41.

INTERNATIONAL IMMUNIZATION

International health program: Preventing health problems associated with living abroad. Butcher, C.A. 52(2), 78-85.

INTERPRETATIVE STATEMENTS

AAOHN code of ethics and interpretative statements. American Association of Occupational Health Nurses. 52(4), 140-142.

JAPANESE OCCUPATIONAL HEALTH

Defining the roles and functions of occupational health nurses in Japan: Results of job analysis. Ishihara, I., Yoshimine, T., Horikawa, J., Majima, Y., Kawamoto, R., & Salazar, M.K. 52(6), 230-241.

LAW ENFORCEMENT OFFICERS

Relationship among risk factors for nephrolithiasis, cardiovascular disease, and ethnicity: Focus on a law enforcement cohort. Ramey, S.L., Franke, W.D., & Shelley, M.C., II. 52(3), 116-121.

LEGAL ISSUES

Legal Issues: Nurse licensure compacts—Proceed with caution. D'Arruda, K.A. 52(2), 52-53.

LONG HAUL TRUCKING

Workplace violence in long haul trucking: Occupational health nursing update. Anderson, D.G. 52(1), 23-27.

MALARIA

Malaria: A parasitic disease. Butcher, C.A. 52(7), 302-309.

MANAGEMENT

Management File: Ensuring confidentiality of employee health information—Developing policies and procedures. Strasser, P.B. 52(4), 149-153.

Express Speak: The impact of contingent workers on the workplace. Stagg, S. 52(9), 412.

MENIERE'S DISEASE

Meniere's disease: Identifying classic symptoms and current treatments. Ervin, S.E. 52(4), 156-158.

MENTAL HEALTH ISSUES

Emotional labor: Relevant theory for occupational health practice in post-industrial America. de Castro, A.B., Agnew, J., & Fitzgerald, S.T. 52(3), 109-115.

Express Speak: Workplace bullying. Sitzman, K. 52(5), 220.

Linking Practice & Research: Promoting immigrants' health—Relevance to occupational health nursing practice. Tsai, J. H-C. 52(3), 94-96.

Managing workplace depression: An untapped opportunity for occupational health professionals. Putnam, K. & McKibbin, L. 52(3), 122-129.

MIGRANT WORKERS

Seasonal and migrant agricultural workers: A neglected workforce. Culp, K., & Umbarger, M. 52(9), 383-390.

MONKEYPOX

Monkeypox in the United States: An occupational health look at the first cases. Cunha, B.E. 52(4), 164-168.

MUSCULOSKELETAL DISORDERS

Back pain prevalence in nursing personnel: Measurement issues. Menzel, N.H. 52(2), 55-65.

Nurses' perception of their work environment, health, and well being: A qualitative perspective. Geiger-Brown, J., Trinkoff, A.M., Nielsen,

K., Lirtmunlikaporn, S., Brady, B., and Vasquez, E.I. 52(1), 16-22.

Clinical Rounds: Hospital Link: Laboratory workers and musculoskeletal disorders—Examining ergonomic risk factors and solutions. Andersen, E. 52(9), 366-367.

NEEDLESTICK INJURIES

Sharps injuries in the home health care setting: Risks for home health care workers. Haiduven, D., & Ferrol, S. 52(3), 102-108.

NETWORKING

Informatics: Searching for topical information on the Internet—Networking with occupational health professionals. DiBenedetto, D.V. 52(3), 100-101.

NON-NURSE CASE MANAGEMENT

Clinical Rounds: Case Management Update: What is the role of the non-nurse case manager? Haag, A.B., Kalina, C.M., Tourigian, R. & Wassel, M.L. 52(1), 10-13.

NURSE LICENSE COMPACTS

Legal Issues: Nurse licensure compacts—Proceed with caution. D'Arruda, K.A. 52(2), 52-53.

NURSE MANAGED CENTERS

Reducing overall health care costs for a city municipality: A real life community based learning model. Hodges, L.C., Harper, T.S., Hall-Barrow, J., & Tatom, I.D. 52(6), 247-253.

NURSE PRACTITIONER

Clinical Rounds: NP Link: Asbestos-related pulmonary diseases. Corbridge, S.J., & Kamp, D.W. 52(2), 49-51.

Clinical Rounds: NP Link: Bradycardia induced by Hyperkalemia. Vuckovic, K. 52(5), 188-189.

NURSING ASSESSMENT

Occupational Health: Spanish: Nursing assessment: Taking the history. Vélez-McEvoy, M. 52(1), 8-9.

NURSING EDUCATION

Evaluation of an environmental health education program: Assessing changes in knowledge of health professionals. Mujuru, P., & Niezen, C. 52(10), 436-441.

Strengthening the nursing curriculum: An interdisciplinary course addressing agricultural health and safety. Jones, S., Dunn, D., & Coffey, D. 52(9), 397-400.

NURSING SHORTAGE

Nurses' perception of their work environment, health, and well being: A qualitative perspective. Geiger-Brown, J., Trinkoff, A.M., Nielsen, K., Lirtmunlikaporn, S., Brady, B., and Vasquez, E.I. 52(1), 16-22.

NUTRITION

Express Speak: Daily fluid consumption—How much is enough? Sitzman, K. 52(12), 540.

Express Speak: Expanding food portions contribute to overweight and obesity. Sitzman, K. 52(8), 356.

Express Speak: What works for weight loss and maintenance? Sitzman, K. 52(4), 180.

OBESITY

Express Speak: Expanding food portions contribute to overweight and obesity. Sitzman, K. 52(8), 356.

Express Speak: The obesity epidemic. Sitzman, K. 52(1), 44.

Express Speak: What works for weight loss and maintenance? Sitzman, K. 52(4), 180.

OCCUPATIONAL AND ENVIRONMENTAL EXPOSURE

Occupational Health: Spanish: Occupational and environmental exposure history—Ocupacional y ambiental historia clínica de riesgo. Vélez-McEvoy, M. 52(4), 146-148.

OCCUPATIONAL AND ENVIRONMENTAL HEALTH NURSING STANDARDS

Standards of occupational and environmental health nursing. The American Association of Occupational Health Nurses. 52(7), 270-274.

OCCUPATIONAL DEMOTION

Linking Practice & Research: Promoting immigrants' health—Relevance to occupational health nursing practice. Tsai, J. H-C. 52(3), 94-96.

OCCUPATIONAL HEALTH NURSE ROLE

Linking Practice & Research: Adolescents in the work force—A population at risk. Miller, M.E. 52(11), 461-464.

Managing asthma in the workplace: An overview for occupational health nurses. Carroll, P. 52(11), 481-489.

Research & Ethics Corner: Research utilization—Putting the research evidence into practice. Rogers, B. 52(1), 14-15.

Workplace violence against K-12 teachers: Implementation of preventive programs. Ruff, J.M., Gerding, G., & Hong, O.S. 52(5), 204-209.

OCCUPATIONAL HEALTH NURSING PRACTICE

Clinical Rounds: NP Link: Asbestos-related pulmonary diseases. Corbridge, S.J., & Kamp, D.W. 52(2), 49-51.

Clinical Rounds: NP Link: Bradycardia induced by Hyperkalemia. Vuckovic, K. 52(5), 188-189.

Legal Issues: Nurse licensure compacts—Proceed with caution. D'Arruda, K.A. 52(2), 52-53.

Defining the roles and functions of occupational health nurses in Japan: Results of job analysis. Ishihara, I., Yoshimine, T., Horikawa, J., Majima, Y., Kawamoto, R., & Salazar, M.K. 52(6), 230-241.

Express Speak: Coping with chronic illness at work. Sitzman, K. 52(6), 264.

Occupational health nursing in Lebanon: Exploring the world through international occupational health programs. Noureddine, S., & Arevian, M. 52(5), 193-198.

Occupational Health: Spanish: Work related injury and illness. Vélez-McEvoy, M. 52(7), 275-279.

OSHA 101: An introduction to OSHA for the occupational health nurse. Fell-Carlson, D. 52(10), 442-449.

Standards of occupational and environmental health nursing. The American Association of Occupational Health Nurses. 52(7), 270-274.

Travel health nursing: Expanding horizons for occupational health nurses. Rosselot, G. 52(1), 28-41.

OSHA

OSHA 101: An introduction to OSHA for the occupational health nurse. Fell-Carlson, D. 52(10), 442-449.

OSTEOPOROSIS

Express Speak: Focus on osteoporosis. Sitzman, K. 52(7), 312.

OUTCOME MEASURES

Management File: Family medical leave—Management strategies. Morris, J.A. 52(12), 495-497.

OVERWEIGHT

Express Speak: Expanding food portions contribute to overweight and obesity. Sitzman, K. 52(8), 356.

Express Speak: The obesity epidemic. Sitzman, K. 52(1), 44.

POLICIES AND PROCEDURES

Management File: Ensuring confidentiality of employee health information—Developing policies and procedures. Strasser, P.B. 52(4), 149-153.

Management File: Family medical leave—Management strategies. Morris, J.A. 52(12), 495-497.

PRIVACY

Roadmap to HIPAA: Keeping occupational health nurses on track. Lucas, B., & Adams, S. 52(4), 169-177.

PROCEED/PRECEDE MODEL

Linking Practice and Research: Using the PRECEDE-PROCEED model to guide the development of more effective workplace interventions. Connon, L., & Salazar, M.K. 52(5), 190-192.

PROFESSIONAL EDUCATION

Research & Ethics Corner: Environmental health hazards and health care professional education. Rogers, B. 52(4), 154-155.

PROGRAM DEVELOPMENT

Agricultural health: A new field of occupational health nursing. Fleming, M.J. 52(9), 391-396.

Evaluation of an environmental health education program: Assessing changes in knowledge of health professionals. Mujuru, P., & Niezen, C. 52(10), 436-441.

Implementation of a scheduled toileting program in a long term care facility: Evaluating the impact on injury risk to caregiving staff. Engst, C., Chhokar, R., Robinson, D., Earthy, A., & Yassi, A. 52(10), 427-435.

Rewarding safe behavior: Strategies for change (CE Article). Fell-Carlson, D. 52(12), 521-527.

The new face of public health in the workplace: Development of an occupational health program. Gary, D.L. 52(4), 159-163.

PROGRAM EVALUATION

Evaluation of an environmental health education program: Assessing changes in knowledge of health professionals. Mujuru, P., & Niezen, C. 52(10), 436-441.

Great safety performance: An improvement process using leading indicators. Dyck, D., & Roithmayr, T. 52(12), 511-520.

Implementation of a scheduled toileting program in a long term care facility: Evaluating the impact on injury risk to caregiving staff. Engst, C., Chhokar, R., Robinson, D., Earthy, A., Yassi, A., & Tate, R.B. 52(10), 427-435.

PUBLIC HEALTH ISSUES

The new face of public health in the workplace: Development of an occupational health program. Gary, D.L. 52(4), 159-163.

QUANTIFYING VALUE

Clinical Rounds: Case Management Update: What are some of the challenges in case management and how have you handled them? Kalina, C.M., Haag, A.B., & Tourigian, R. 52(4), 143-145.

REGULATORY ISSUES

OSHA 101: An introduction to OSHA for the occupational health nurse. Fell-Carlson, D. 52(10), 442-449.

RENAL DISEASE

Diagnosis: Chronic kidney disease, now what! Ross, P.E., Groenhoff, C., & Zin, P. 52(7), 287-297.

RENAL HEALTH

Relationship among risk factors for nephrolithiasis, cardiovascular disease, and ethnicity: Focus on a law enforcement cohort. Ramey, S.L., Franke, W.D., & Shelley, M.C., II. 52(3), 116-121.

RESEARCH

Linking Practice & Research: Promoting immigrants' health—Relevance to occupational health nursing practice. Tsai, J. H-C. 52(3), 94-96.

Linking Practice and Research: Using the PRECEDE-PROCEED model to guide the development of more effective workplace interventions. Connon, L., & Salazar, M.K. 52(5), 190-192.

Research & Ethics Corner: Environmental health hazards and health care professional education. Rogers, B. 52(4), 154-155.

Research & Ethics Corner: Research utilization—Putting the research evidence into practice. Rogers, B. 52(1), 14-15.

Research & Ethics Corner: What the research shows—Worker exposures at a popcorn plant. 52(7), 285-286.

RESOURCE INFORMATION

Informatics: Identifying requirements for an occupational health & safety information system. DiBenedetto, D.V. 52(9), 368-372.

Informatics: Searching for topical information on the Internet—Networking with occupational health professionals. DiBenedetto, D.V. 52(3), 100-101.

RESPIRATORY HEALTH

Clinical Rounds: NP Link: Asbestos-related pulmonary diseases. Corbridge, S.J., & Kamp, D.W. 52(2), 49-51.

Express Speak: Mold at home can cause illness at work. Sitzman, K. 52(11), 492.

RETURN TO WORK

Integrating disability management into strategic plans: Creating healthy organizations. Curtis, J., & Scott, L.R. 52(7), 298-301.

Management File: Managing transitional work—Program foundation. Strasser, P. 52(8), 323-326.

The return to work experiences of colorectal cancer survivors. Sanchez, K.M., Richardson, J.L., & Mason, H.R.C. 52(12), 500-510.

RISK COMMUNICATION

Linking Practice & Research: "La Verdad" and risk communication—Strategies for communicating results of environmental exposure tests to individuals. Butterfield, P.G. 52(9), 363-365.

RURAL HEALTH ISSUES

Guest Editorial: Caring for the families that feed the world. Reed, D.B. 52(9), 361-362.

SARS

SARS update: Winter, 2003-2004. Shapiro, S.E., & McCauley, L.A. 52(5), 199-203.

SCABIES

Clinical Rounds: Hospital Link: That little itch—Responding to scabies in the workplace. Andersen, E. 52(6), 227-229.

SCHOOL VIOLENCE

Workplace violence against K-12 teachers: Implementation of preventive programs. Ruff, J.M., Gerding, G., & Hong, O.S. 52(5), 204-209.

SLEEP DEPRIVATION

Sleep deprivation and injuries in part-time kentucky farmers: Impact of self reported sleep habits and sleep problems on injury risk. Spengler, S.E., Browning, S.R., & Reed, D.B. 52(9), 373-382.

SPANISH LANGUAGE INFORMATION

Occupational Health: Spanish: Nursing assessment: Taking the history. Vélez-McEvoy, M. 52(1), 8-9.

Occupational Health: Spanish: Occupational and environmental exposure history—Ocupacional y ambiental historia clínica de riesgo. Vélez-McEvoy, M. 52(4), 146-148.

Occupational Health: Spanish: Physical examination—Examen físico. Vélez-McEvoy, M. 52(10), 424-426.

Occupational Health: Spanish: Work related injury and illness. Vélez-McEvoy, M. 52(7), 275-279.

STRATEGIC PLANNING

Integrating disability management into strategic plans: Creating healthy organizations. Curtis, J., & Scott, L.R. 52(7), 298-301.

STRESS MANAGEMENT

Emotional labor: Relevant theory for occupational health practice in post-industrial America. de Castro, A.B., Agnew, J., & Fitzgerald, S.T. 52(3), 109-115.

SURVEY TOOLS

Back pain prevalence in nursing personnel: Measurement issues. Menzel, N.H. 52(2), 55-65.

TEMPORARY WORK FORCE

Express Speak: The impact of contingent workers on the workplace. Stagg, S. 52(9), 412.

TOXICOLOGY

Toxicology primer: Understanding workplace hazards and protecting worker health. Arble, J. 52(6), 254-261.

TRAVEL HEALTH

International health program: Preventing health problems associated with living abroad. Butcher, C.A. 52(2), 78-85.

Malaria: A parasitic disease. Butcher, C.A. 52(7), 302-309.

Travel health nursing: Expanding horizons for occupational health nurses. Rosselot, G. 52(1), 28-41.

URBAN SPRAWL

Urban sprawl and you: How sprawl adversely affects worker health. Pohanka, M., & Fitzgerald, S. 52(6), 242-246.

WEIGHT LOSS

Express Speak: What works for weight loss and maintenance? Sitzman, K. 52(4), 180.

WOMEN'S HEALTH

Express Speak: Focus on osteoporosis. Sitzman, K. 52(7), 312.

Workplace violence in long haul trucking: Occupational health nursing update. Anderson, D.G. 52(1), 23-27.

WORKPLACE BULLYING

Express Speak: Workplace bullying. Sitzman, K. 52(5), 220.

WORKPLACE VIOLENCE

Workplace violence against K-12 teachers: Implementation of preventive programs. Ruff, J.M., Gerding, G., & Hong, O.S. 52(5), 204-209.

Workplace violence in long haul trucking: Occupational health nursing update. Anderson, D.G. 52(1), 23-27.

WORK RELATED ASTHMA

Processes of care for individuals diagnosed with work related asthma: treatment characteristics and impact of asthma on work. Roberts, J.L., Janson, S., Gillen, M., Flattery, J., & Harrison, R. 52(8), 327-337.

WORK RELATED INJURY AND ILLNESS

Occupational Health: Spanish: Work related injury and illness. Vélez-McEvoy, M. 52(7), 275-279.

WORK RELATED MUSCULOSKELETAL DISORDERS

Clinical Rounds: NP Link: Carpal tunnel syndrome—The role of psychosocial factors in recovery. Hopp, P.T., Lee, K.E., & Gest, S.A. 52(11), 458-460.

Education of garment workers: Prevention of work related musculoskeletal disorders. Pun, J.C., Burgel, B.J., Chan, J., & Lashuay, N. 52(8), 338-343.

Garment workers in California: Health outcomes of the Asian immigrant women workers clinic. Burgel, B.J., Lashuay, N., Israel, L., & Harrison, R. 52(11), 465-475.
